

**HOW YOU  
CAN HELP**

Bringing the light of Christ into communities

For more than 130 years Churches of Christ has provided care and support to people in need regardless of religious background or beliefs. The organisation is built on a foundation of Christian values, a commitment to quality care, and trust and respect for all people.

Services provided are funded by a mix of government subsidies, grants and gifts provided by donors and supporters. One of the greatest challenges is to find the funding necessary to continue to provide help for people in need and those most at risk.

Your gift provides compassionate, professional care and support for vulnerable people whose life circumstances could otherwise go unnoticed or untreated.

By supporting Churches of Christ, you have the power to bring the light of Christ into communities and make a difference to many thousands of lives.

**Thank you.**

# Ideas for support and fundraising – make a real difference

## 1. Host a fundraising event

Host or run a fundraising event with your own network or group of friends with Churches of Christ as the beneficiary. It could be hosting a golf day, morning tea or something as simple as a dollar sale!

## 2. Make a Gift in your Will

Create a lasting legacy in your Will that will help us continue to bring the light of Christ into communities!

## 3. Partner with us

We are committed to working with your organisation and staff to develop a meaningful and long lasting partnership. We can align your corporate gifts to key projects, corporate grants, in-kind support and matched giving.

## 4. Workplace giving

Donate a portion of your income before tax. This will help us support the communities we work within. Ask your employer to match it.

## 5. Choose us as your charity of choice!

Select Churches of Christ as your organisation's annual charity beneficiary.

## 6. Become a hero fundraiser

Fundraise online or enter a fun run like the Bridge to Brisbane and choose us as your charity.

## 7. Volunteer your time or services

Imagine working for the love of it – consider volunteering. Call 1300 760 622 or email [volunteers@cofcqld.com.au](mailto:volunteers@cofcqld.com.au).

***So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened.***

# Your support will make a critical difference

Help achieve real outcomes for vulnerable children and adults in need through child protection, care services and residential aged care for the elderly, education and child care, welfare or accommodation services for families at risk of homelessness.

Your support will touch the lives of real children and adults who need compassionate, professional care and support for vulnerable people whose life circumstances could otherwise go unnoticed or untreated.
